

## PRESS RELEASE

### **Cementir Holding: Antitrust opens an investigation in the Italian cement industry**

**Rome, 27 November 2015** – Cementir Holding informs that on 26 November 2015 the Italian Antitrust Authority announced that it opened an investigation against the subsidiary Cementir Italia SpA and other national cement manufacturers for alleged antitrust violations. Given that the investigation is ongoing, we cannot add any further comments.

Cementir Italia and other Group companies act in accordance with the laws, including the rules and practices of fair competition; policies and procedures are in place to ensure compliance with the principles and rules of fair competition by prohibiting anti-competitive behavior. Non-compliance is subject to disciplinary sanctions that may lead to termination of employment contract.
